Good-day Fellow Anglers,

It's four months since our last meeting and its time for our reports once more. Seven anglers submitted claims for seven different species to earn no less than eighteen certificates.

The first, the first of our Length Records using IGFA's measuring mats, was awarded to Daniel Hughes of Western Province while fishing for the Masters Team, in the Bottom Fish Nationals in August. This event was sanctioned by ORI and saw Daniel measure and safely release, a 880mm Seventy-four to establish SADSAA and All Africa Length Records and earn a Catch Certificate as well. This catch equates to a 9.56 kg Specimen. Well done Daniel.

The second fish, also taken at the Bottom Fish Nationals by Dion Wilmans of Southern Gauteng, was a 3.00 kg John Dory. This fish earns Dion, SADSAA and All Africa All Tackle records as well as a Catch Certificate, for his troubles. Congratulations.

Fishing at Mapelane in July, Shane Dennis of Umkomaas Ski Boat Club, used 6kg line test to land a Talang, Queenfish, of 8.80 kg for a new All Africa line class record. Shane all receives a Catch Certificate as well. Nice fish.

While fishing at St Lucia on the 19<sup>th</sup> September, Carmen Badenhorst of St Lucia Ski Boat Club, established a new All Africa Line class record for a 8.55 kg Queen Mackerel taken on 4kg Line test. The fish took over 20 minutes to land. Well done Carmen.

Three Juniors made up the last three catch applications. On the 28<sup>th</sup> September, while fishing on her fathers, Franz's boat Jasper, fourteen year old Finn-Lee Reyneke landed a whopping 91 kg Yellowfin Tuna after over an hours fight. Taken on 60 kg line test it secured the SADSAA Woman's record as well the All Africa Junior record. Further Finn-Lee has become a member of the 50kg club and gets a SADSAA certificate for her efforts. Finn-Lee is a Limpopo angler. Well done on your achievement young lady!

Our second Junior to score big was fifteen year old Owen Barclay. Fishing on PJ Botha's boat, Watt 4 at Shelley Beach on the 11<sup>th</sup> May, the young Natal Rod And Reel Club member, needed forty plus minutes to land a 26.5 kg Greater Amberjack on the 10 kg line class he was using. The fish gains him the SADSAA Junior record as well as the All Africa as well. The fish is further waiting ratification from IGFA as a Junior World record. A Catch Certificate rounds off his haul. Well done Boet keep up the good work.

Last but not least, 13 year old Kieran McKay, of Durban Ski Boat Club, is also waiting on a pending IGFA Junior record for his 9.56 kg Kawakawa which was taken on 10 kg line strength. Fishing on Derek Johnson's boat Blue Marlin, off Pennington on the 19<sup>th</sup> May, Kieran need just over ten minutes to land his excellent catch. He takes the SADSAA and All Africa Junior records. A lovely fish Kieran.

That's about it.

Tight lines to you all,

*Dave*

P.S. I am leaving again for a two month Christmas visit on the 22<sup>nd</sup> November to New Zealand and will be back in the Office on the 28<sup>th</sup> January 2020. I will be in constant contact on What's App 082 774-8606 as well as my e-mail [davelynn@iafrica.com](mailto:davelynn@iafrica.com). Please just bear in mind that we will be 10 hours ahead if you are making a voice call query.
