As of the 7 February, Nomads had 18 confirmed boats, 3 possibles and 2 maybe's.

Another combined tackle box and NFE evening will be held on the Wednesday 28 February 2007 at the clubhouse to finalise tactics and strategy.

### Safety

The regulations pertaining to Inland Waters and Deep Sea have been incorporated into a single set of regulations for small vessels. The regulations are currently with the Government legal department for finalisation before being presented to the Minister to sign into effect. Once the act has been promulgated, boat owners will have 12 months in which to comply with the new regulations.
