The Nomads Tide - A Monthly Brief October 2007

Whoops

65' Custom Built Motor yacht, staterooms, GPS navigation, twin supercharged diesels, etc. = \$ 2.5 million
Crane and Rigging complete with faulty turnbuckle = \$2,500 per hour

Champagne and Strawberries, dockside, for the excited "soon to be owners" =\$250.00

Watching your dreamboat nose dive into the harbour, accompanied by two corporate representatives just prior to "inking" the final paperwork.....

Priceless.....

Check out the guy on the stern, holding on for the ride of the day. Whoops.
