## Team Selections

### 2008 ILTA Tournament - Dominican Republic

Congratulations to the following Nomads members who were selected for the Protea Team to fish in the ILTA Tournament in the Dominican Republic in May 2008.

- Denham Townsend (Capt)
- Warren Meredith
- Dave Martin

It is indeed a great honour for the club to have a full Protea side consisting of members from Nomads.

### To all the other Nomads members:

Nomads is a member of ILTA as such Nomads may enter a club team to fish the ILTA competition in the Dominican Republic. Please note that no Nomads team selection will take place. Those interested in fishing this prestigious competition are to constitute their own team under the banner of Nomads and provide their own financial means of attending and fishing the competition. (3rd week in May, approx budget required +R60,000). Grant Estman & Anton Faurie will assist interested members with the administration required for entering a Nomads team.

Good luck with the tournament and may you all have great success.
