Angler; Jannie le Roux (Teacher at my son's school)
Blue Marlin T&R. This is a trip which I promised to
some school teachers and some school kids some two
years ago and finally got it together. *Reel Tight*
was rewarded with this lovely fish which my son captured
while I was running around the boat like a headless
chicken, while 2 young 15 year old girls tried to steer
the boat, my son taking the pictures, and an Afrikaans
teacher cried with pain as he caught this Marlin which
we successfully released. This was caught on 15kg line
and released in 1 hour

Guinjata Species Bonanza 2008 (by Lynette Adams)

This year's 11th Bonanza promises to be one of the best
with 95 boats entered. A record of note. I have has 26
boats on the waiting list. Once again the Guinjata
committee are appealing to all to help with the
collection of prizes for this fantastic event staged once
yearly.

If you can assist in any way sponsoring a cash donation
or product prize please contact me urgently so we can
make sure you are included on the Sponsors list. This
years event is also being televised by Supersport which
is also an added bonus.
