Crew wanted for OET

Chris Skinner will be fishing the OET competition from 3-7 Nov, which is first of the two weeks that he will be at Sodwana. The second week he fishes the Billfish 15000 Competition.

He plans to leave on Friday 31 Oct. One of the other crew members will be coming down in their Fortuner and they will travel together as he prefers a back up vehicle when pulling the boat, so you can drive with us if you can leave that early.

The comp is 5 days Mon-Fri. Pretty good prizes and lots of fun. Chris has arranged a 3 bedroom lodge to stay in - see link <http://www.dolphinlodge.co.za/>

Herewith a few pics for you to see how we do things - its hard work but good fun.

The cost is R5,000, includes getting the boat down there, all fishing tackle, boat fuel etc, comp entry, accommodation, food, and Jouser clothing. (Does not include any costs relating to crew separate vehicles)

Cheers
 Chris Skinner
