Bookings at Coco Rico, Ponta do Oura

I hope that you are well and looking forward to your trip. There are rumours going around with regards to Coco Rico and I just wanted you to know that everything is running smoothly in Ponta and we are looking forward to hosting you in October.

However there have been some changes that have been made to ensure the smooth running of Coco Rico, firstly no monies must be transferred into the booking office account in Pongola. If money for your accommodation or accommodation of Nomad members has been transferred into the account they need to ask for a refund and they can either pay by cash or credit card at the resort on arrival. All future payments and communication for the event must be done through me, I will have new banking details for you shortly.

Please do not hesitate to contact me if you have any queries. Look forward to hearing from you
