### Big Bore Invite

Big Bore Rifle Shoot 30th January 2010

The Big Bore Association of Southern Africa (BASA) extends a warm invitation to all Nomads members to join us at our first shoot for the year on the 30th January 2010, the details of which are as follows;

Venue: SWAT Range, directly opposite Swartkops Raceway, Centurion, Pretoria  
Registration: 07h00 to 08h00  
Shoot Briefing: 08h00  
Shooting Event: 08h30 to 12h00  
Socialising and Bring and Braai: 12h30 onwards  
Shoot Entry Fee: R100.00 Seniors / R50.00 Juniors, paid on the range  
Ammunition Requirements: 25 cartridges to complete the ranges of the day

BASA's regular practical shoots are inspiring events; men, women and juniors compete shoulder to shoulder, (in appropriate categories), in our stress fire events that are specifically designed to test the firearm, the ammunition, the shooter, and interaction between the three in a challenging, but fun-filled and exciting format.

Our events include pitting the shooter against moving dangerous game targets in field conditions that simulate a variety of big game scenarios. The goal: Honing shooter and rifle to perfection for the rigours of dealing with African big and dangerous game.

BASA shoots are primarily for big bore rifles from 9.3mm / .366" upwards, however should you not have access to a big bore rifle, you are welcome to use a smaller calibre centrefire rifle (6mm or larger) and join in on the fun. The days shooting ends with a bring and braai (fires supplied) and some serious socialising.

To assist in planning and to register for this shoot, please email your name plus those of shooters that will be accompanying you on the day, to [admininfo@bigbore.org](mailto:admininfo@bigbore.org) before 28/01/2010

Should you require more information on our Big Bore Association shoots please visit [www.bigbore.org](http://www.bigbore.org) or contact Peter Viljoen on 083 458 2141

## The Nomads Tide - A Monthly Brief January 2010

### Rosebowl 2010 by Mitchell Moore

It is time to start getting our ducks in a row for the Rose Bowl 2010. There are a number of issues that have to be resolved. Communicating through the internet is far from ideal, so I would like to propose a quick meeting to resolve a few of the more important points.

The proposed agenda includes the following.

- Confirmation of the boats, skippers and crew participating. (remember, we have a limit on the number of boats allowed, so if you are not going to take part, let somebody else in)
- Raising of sponsorship, Nomads needs to raise R35000-00 as do the other clubs.
- General discussion on tactics, we need to win this one. We need Marlin Boats, Sailfish boats, and game fish boats, the line classes are 6, 10, 24, 37kg.

Proposed date 1st weekend in February 2010, Saturday the 6th. Can we get together at 09H00 at the clubhouse?

Will all the interested parties let me ([Mitchell Moore mitchell@mandmconstruction.co.za](mailto:mitchell@mandmconstruction.co.za)) know at your earliest opportunity?

### Brief update by Mitchell Moore

#### Withdrawals

Unfortunately Dudley Saunders from "Peg leg" has decided to maintain his membership with St Lucia Ski Boat club at the expense of Nomads. I am sorry to see him go and wish him all the best.

Trevor Spence from "Wave Spray" has also pulled out of the Rose Bowl. Good luck with the future "Protea Angler" Keep us informed.

This leaves Nomads with 14 Boats.

#### Documentation

Entry forms received from boats for the Rose Bowl. Gaffit, R&B, Ramkat, Reel Tight, Nauti Boy, Angler Taxi, Tequila Sheila and My Dream. 8 number to date.

Entry forms outstanding for the Rose Bowl. Aquablis, Mystic Boer, Raptor, Shaya Lo Manzi, Gaffer Dog and Ivanhoe.

Payments made to date. Real Tight and Gaffit only. Remember the Rose Bowl committee has allowed only 6 boats per club and the balance on a first come 1st served basis. We have got 14 boats at present. Get your paperwork and payments done urgently as the close off period for the 1st come 1st served is the end of this month. Let me know as soon as you have completed the documentation and payment so I can look after your interests and ensure we do not have boats "bullied out" of the competition on a technicality.

Proposed meeting on the 6th February 2010

I have received a very poor response to date.

- Kevin Allardyce "Bulldog" cannot make it due to business commitments. (Kevin I have assumed you are crewing as your boat has not been entered, if not, give me a call ASAP so we can correct it)
- Leon Nel can make it.
- Paul Verheul from Reel tight responded, but unfortunately he has other commitments.
- Dave Martin will make it if he can, he may be moving "Beast to RB"

At present Leon and I are going to have a very short meeting. "Leon will you bring the refreshments?"

#### Sponsorships

- Nauti Boy has committed to raise R3,000-00.
- Mystic Boer has donated an OX Braai.
- Ramkat, Eric has indicated he will help.

#### General

As you can see we are battling as a club to get our ducks in a row. Please take the 10 minutes to respond to this email with regard to the above high lighted points.

Regards [Mitchell Moore](mailto:mitchell@mandmconstruction.co.za).
