## [Nomads Fund Raiser: 28 June 2013 Boksburg Barnyard. Show: Route 66](#)

Take a journey with us as we go rocking down American Highways with the brand new Barnyard production Route 66, which features the best of country rock, west coast and acoustic rock.

First up we journey down Highway 61 to Nashville Tennessee where we experience the country sounds of Willie Nelson, Kenny Rogers, John Denver, Dolly Parton and many more. We then hit the road again on Highway 101 which takes us to California to hear the west coast rock sounds of Creedence Clearwater Revival, The Eagles, The Doobie Brothers, Shania Twain and The Dixie Chicks before moving on to the East Coast and Texas with the sounds of ZZ Top, Guns 'N Roses, Kid Rock and Bon Jovi!

From the highlands of Kentucky to the cotton fields of Oklahoma this talented 10-piece cast will present a wide range of instrumentation, featuring fiddle, steel guitar, electric guitar, the mandolin and the banjo. The show also features line dancing that will get you moving like never before!

If Midnight Special, Hotel California, It's My Life, American Pie, Islands in the Stream and Knocking on Heaven's Door get you in the party mood then this is the show for you! Route 66 is the perfect party to rock your blues away...

Get ready to go rocking down American Highways with Route 66 and share the love of the endless highway.
