New SADSAA and Protea Nomination form

A new version has been uploaded to the Nomads site. Click on "[Protea Nomination Form](#)" under the section "SELECTION CONVENOR"

Craig Shorter trophy

This trophy is awarded to the top billfish skipper for the year. Please could all the skippers advise the number and type of successful billfish releases on their boats up to 31 Dec 2018.

[Read the conditions applicable to this trophy.](#)

2019 Rosebowl Photography

[Justin Klusner](#) will be the official Rosebowl photographer. Check out the attached link for some of the action from last year. He will be taking launching pictures from various angles, including boats launching towards him coming over the waves while he is on a boat on back line. Justin will also be going on a boat to the fishing grounds and getting pictures of you catching the big ones. Pre-Order your disc now to qualify for the discount and don't be disappointed.

Interesting Read

The Oceanographic Research Institute (ORI; a division of SAAMBR) and the KZN Department of Economic Development, Tourism and Environmental Affairs (EDTEA) are pleased to announce that the 2018 issue of KZN's coastal newsletter, *Ulwandle*, is now available on our interactive information portal (www.coastkzn.co.za). The newsletter presents some of the projects undertaken by the department and their partner organisations on a range of coastal management issues, initiatives and activities. Some highlights include - details relating to the announcement by Cabinet of the approval of 20 Marine Protected Areas (MPAs) on 24th October 2018 has been exciting, with two new KZN MPAs and the expansion of two existing MPAs included. We take a closer look at the new uThukela MPA.
