

# The Nomads Tide - A Monthly Brief May 2019

## 2019 - What's in store for Nomads

- Nomads Closed
  - 17-21 June 2019
  - Paradise View, Mozambique
- Nomads AGM and Boat testing
  - 26 October - Nomads Clubhouse
- 2020 Rosebowl - Hosts: Guinjata
  - 8-13 March 2020
  - Guinjata Bay, Mozambique

## Audit results of 2019 Rosebowl show changes.

An audit of the 2019 Rosebowl results highlighted an error where bonus points were inadvertently awarded to an angler and not the boat. This resulted in a change in the top-3 individual anglers and there was no impact on the other results.

### Corrected results

Angler	Boat	Club	Entries	Species	Sorry ove	Sorry wei	Total sco	Rank
Roger Benn	Seagull	TSC	3	3	0	0	368.55	1

## Sponsorship request for Nomads Closed

As you will appreciate hosting a competition requires that we rely on sponsorships from corporate companies and individuals. Accordingly, we request that you consider sponsoring the competition.

In return for the sponsorship, we will display your branding. For example, should you wish to provide advertising material such as banners, booklets and boat stickers we would be pleased to support you in this respect. Each day at the weigh-in all the anglers are assembled and would be able to view this advertising material. We will also use the same material at other club functions during the course of 2019

In addition, we will acknowledge your sponsorship on our facebook page and in our quarterly newsletters and in our annual Tyde magazine. The combined exposure of this advertising would be to over 1,000 people.

If you are in a position to assist, please contact the club via email on [nomadsfishing@gmail.com](mailto:nomadsfishing@gmail.com)

## The Nomads Tide - A Monthly Brief May 2019

### Marine Notice 14 of 2019

Open Test Phase for newly established very High Frequency (VHF) Digital Selective Calling (DSC) Maritime Radio Coastal Infrastructure.

The newly established VHF DSC service will be available for testing by Seafarers as a final test phase with effect from 1<sup>st</sup> MAY 2019. Under no circumstances should DISTRESS alerts (Designated or Undesignated) be tested.

If a distress alert is inadvertently/accidentally transmitted, CANCEL the distress alert as follows -

1. Reset the equipment immediately;
2. Set to channel 16;
3. Transmit a broadcast message to ALL STATIONS giving the vessel name, call sign and MMSI and cancel the false distress alert.

To conduct the test the radio must have a MMSI and be connected to a GPS. Go to DSC Calls scroll to TEST CALL, insert 006010001 for Coast Station press Finish and then call. the radio will then display awaiting acknowledgement and immediately thereafter you should receive a received a digital acknowledgement from the Coast Station. This is only to be done by vessels along the Coast of South Africa.
