### Keep Mitchell Moore in your prayers and thoughts

Message from Colin Green - Chairman of Nomads.

Dear Nomads

*It is with deep regret and bitter sadness that I write to inform you that one of our Nomads family is struggling with ill health. I was informed that Mitchell Moore has*

*been diagnosed with an aggressive form of cancer. It is Mitch's wish that we do not phone or visit en masse and we respect his wish. However, as Nomads we can show our support for Mitch in his battle through his family and I am sure Dorette and Devin would appreciate our support too. Devin please let Mitch know he is in*

*our prayers and we wish him all the strength for a speedy recovery. We hope to see him back at the helm as the fierce competitor he is. Get well soon Nauti Boy.*

It is a lovely opportunity to get out the house and spend time with your fellow members, friends and family.

Kindly please let us know by latest Tuesday 10th March if you and your family will be attending and so we can have numbers for catering purposes. We really look forward to seeing everyone again.
