

# The Nomads Tide - A Monthly Brief April 2020

## 2020 - What's in store for Nomads

(subject to confirmation and lockdown being lifted)

### Lockdown

SA has experienced a lockdown for the first time and everyone has had to adapt and change to another way of operating. Off shore fishing has been curtailed and competitions put on hold. Such sad news. Ed

### Ski-boat Magazine Recognition

Richard and Trevor Mosley get recognition for excellent catches. Their excuse for missing the Nomads Prizegiving was that the fishing at Shelly was too good and they could not resist this opportunity.

- Richard: 28.7kg king mackerel
- Trevor: 26.3kg king mackerel
