

# The Nomads Tide - A Monthly Brief November 2020

## 2020 - What's in store for Nomads

- [2021 Rosebowl - Hosts: East Rand](#)  
12-16 April 2021 at Sodwana Bay  
*Rules & entry form available from our website*

## Nomads Fee Structure for 2021

Set out below is the new fee structure. As a club we have tried to keep fee increases to minimum over the years. NOMADS DID NOT INCREASE THE CLUB SUBS FOR 2019 AND 2020. Unfortunately, SADSAA and SGDSAA HAVE INCREASED THEIR FEES FOR 2021 SO WE WILL BE INCREASING OURS BY R100. We ask that all members please pay their subs before the end of January 2021 as we need to pay SADSAA and SGDSAA the annual affiliation fee. If you are resigning from Nomads, please send a letter to Colin Green [colin@greensteel.co.za](mailto:colin@greensteel.co.za)

### Membership fee structure for Nomads

Type of membership	Nomads	SGDSAA	SADSAA	Total
Full member	R 920	R 150	R 130.	<b>R 1,200</b>
Spouse/Partner/ Pensioner/ Student > 16	R 430	R 150	R 130	<b>R 710</b>
Juniors <= 16	R -	R 150	R 130	<b>R 280</b>

Note: If you hold dual membership and you pay the provincial and SADSAA affiliation fee at another club, please pay the Nomads club fee only. We are planning to introduce an invoicing system for 2021 but in the interim please use the above information to pay your fees.

Should you require an official invoice please advise us and we will gladly prepare one for you. Please send request to [colin@greensteel.co.za](mailto:colin@greensteel.co.za)

Please action this now and use your NAME AND STATE SUBS 2021 as the banking reference so that we can allocate the funds to the correct member.

*E.g. Joe Mackerel-Subs 2021*

Wishing you everything of the best and tight lines for 2021.

Best regards  
Nomads Committee

## Boat testing

The duration of annual seaworthy (COF) certificates are valid for a fiscal year. A calendar year is always January 1 to December 31. A fiscal year, by contrast, can start and end at any point during the year, as long as it comprises a full twelve months. Thus, the vessel owner may determine when they wish to have their vessel surveyed. If successful, the COF will then remain in effect for a full 12 months from the date of inspection. The onus now rests with the vessel owner to determine when they wish to have their vessel surveyed.

The SAMSA COF forms for CAT B/C/D/E/R have been updated and are available for download from the SAMSA website: <http://www.samsa.org.za/Pages/Survey-Information-and-Checklists.aspx>. The owner of the vessel needs to download the appropriate category document and complete it prior to having their vessel inspected.

## New members

A small contingent of Nomads members made the trip to the Vaal for the Albatros Boat Testing day to have their boats to be surveyed. There we welcomed to Cas-A-Nova (new member Cas Breedt) and Henk Liebenberg (*ex-junior on Fish Hunter*) who has now bought his own boat and progressed to a full adult member. Henk joins his brother Dries and father Hennie who are already members of Nomads.

Other new members include Bjorn Kahler (crew member on *Bulldog*) and the notorious Adrian and Nat Feher and their boat *Voice Mail*.

Welcome to Nomads - we wish you tight lines and many happy years with the club.

### Guinjata Clay Pigeon Shoot

A small group represented Nomads at the Guinjata Clay Pigeon Shoot. We had a great time and made lots of noise (with the guns) and had many a good laugh. It is a

day more Nomads members should join in for the fun. The course layout caters for the average shooter and most enjoyable. The “flurry” shoot at the end is a lot of fun and most entertaining. After the shoot, the general camaraderie and story sharing contributed to a day well worth diarising for 2021.

### Wrap up for 2020

This year has been a challenge for everyone. Some more than others. As we approach the festive season, take time off and reflect on your many blessings and be grateful that you are able to enjoy them.

From all on the Nomads Committee:

Have a wonderful festive season, a Merry Christmas and a Prosperous New Year.

To those going away, we pray for traveling mercies.

To those who are going fishing, enjoy the time on the ocean, tight lines and remember that safety does not go on holiday.

Take care and see you all in 2021 which will be better than 2020.
